

## **LINDA THOMAS**

Linda is from the north of England. She moved to the US and then to Wilmington after a career in international civil service, and joined WIN in 2015. She has been a volunteer at Cape Fear Literacy Council, the Historic Wilmington Foundation, and a member of the Advisory Council of Team First Book. Linda has served on our Grants Committee and is currently the head of the Education Circle. Her passion is travel, especially house swaps in exotic locations. She wants to spread the word about WIN and add to our diverse and dedicated membership. She herself is highly motivated to add to our impact.
